

- 1995 Herald-Windsor Locks, CT Whether she is teaching, coaching, or supervising, she has always exhibited the Raider Spirit. As the junior and senior class advisor, she has spent countless hours working with the Class of 1995. Juggling her busy schedule, preparing for her wedding and teaching her classes, she managed to set aside time to help our class with the prom. She was there for us even after her wedding, when she should have been celebrating with her new husband. At the beginning of this year when the school was adjusting to new changes, she pointed us in the right direction by helping us accomplish and exceed our goals for the magazine drive.

Her patience and understanding have not gone unnoticed. She has been the most influential person throughout our four years, and has always lifted our spirits with her cheerful smile and optimism. She has challenged us to push ourselves to our limits and often to exceed them. Through her example, she has shown us that one is able to commit to many activities, and not go crazy in the process.

So often we forget to recognize those who unselfishly devote their time and talent to making a difference in our lives. Therefore, it is with great admiration that we dedicate the 1995 <u>Herald</u> to Mrs. Amy "Limey" Muska.

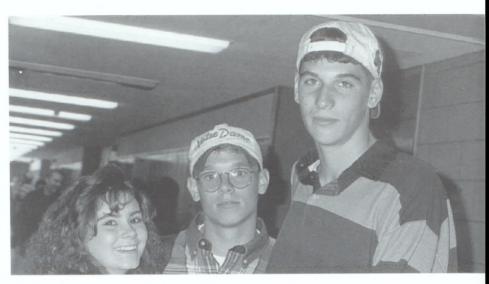

Four years ago, the Class of 1995 surprised the entire student body. As mere freshmen, we displayed an unexpected amount of energy and pride — pride for our class, our school, and our town. At the fall pep rally our sophomore year, we showed our enthusiasm by winning the spirit competition, which included the penny war and poster contest. During our junior year, we proved to be an even more unified class by working together to produce another successful prom.

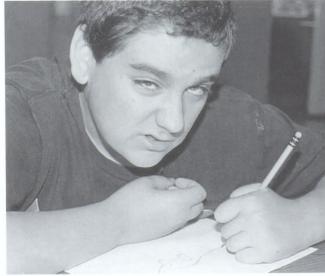

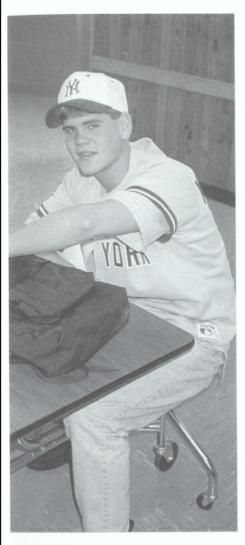

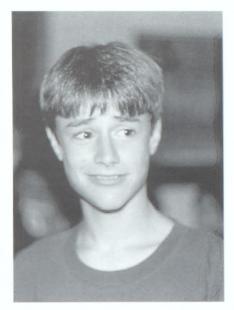

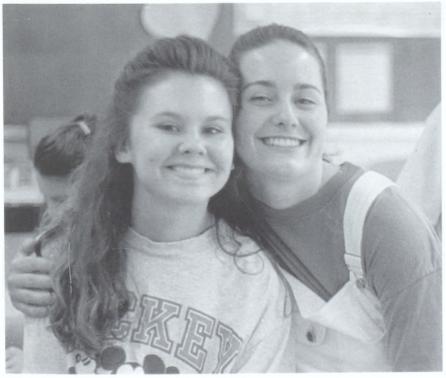

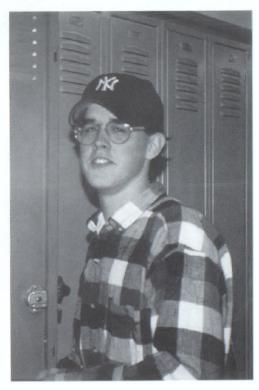

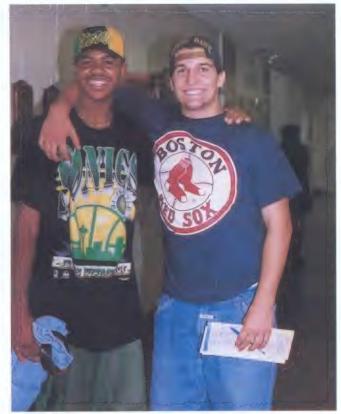

As we approached our senior year, our school activities were affected by our town's budget, yet we managed to pull through. The Class of 1995 can look back and remember all of our accomplishments, but most of all our leadership and spirit!

Every penny dropped in the jar labeled "95" was a symbol of our spirit. The hours spent preparing and decorating for the prom, the posters in the hallways, and the painted faces for the pep rallies reminded everyone of the Class of 1995's energy and devotion. Our accomplishments throughout our four years have shined and we have met and surpassed our goals. Our cheers and whistles have drowned out all of our apprehensions. Each senior's personality has contributed to our class as a whole. Now with enthusiasm and applause, we proudly present the members of the Class of 1995!

Dear Class of 1995:

One's perspective plays such an important role in our lives. Knowing what you know today as graduating seniors-What would you have done differently during the past four years? Your serious responses will differ significantly and may be dependent upon how well you set goals and objectives for yourself and then how successful you were in attaining them. Your four years at WLHS are over. But the challenge of life is just the beginning.

Use the experience of the past four years to set your goals high and to work tirelessly to achieve them. You have a responsibility to yourself, your family, and your community to make the most of your talents. Every challenge is an opportunity for success. You will be successful if you accept the challenge.

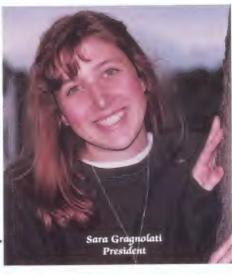

Thank you for the past four years-from my perspective they were great! Although you are graduating, you will always be a Raider. There will always be a welcome for you at Windsor Locks High.

"A Night at the Oscars"

We continued the tradition of having the prom in the gym. With a theme selected and goals in place, the Prom Committee started to create our own version of Hollywood. After many months of hard work and anticipation, it was time to make the idea a reality. With enthusiasm we transformed the gym into a panorama of glamour, glitz, and style. Our hearts raced with excitement as we approached the red carpet leading to our elegant "Night at the Oscars" . . .

As the cameras flashed and the crowd applauded, we were overwhelmed with the intensity of the moment. A feeling of awe and relief overcame us as we entered the gym and saw what we had created. We strolled elegantly through the decorated lobby, past the Wall of Fame, and enjoyed the view of Hollywood. The bright lights of the stage complemented our gowns and tuxedos as well as the alluring atmosphere.

Editors' Note ...

Three weeks of school had passed before Mrs. Trosky approached us and told us we were going to be the editors of the yearbook. We were excited (and a little scared!) about the challenges we would have to face in the many months ahead. We both had no prior experience with putting a yearbook together, so we did not know what to expect or how much work was involved. It seemed like an overwhelming task. Drawing layouts, writing copy, and trying to figure out the computer seemed impossible to us. Yet as we became more comfortable with everything, and the staff started to work together, the yearbook began to fall into place. Although there were many stressful nights and deadline "parties," we were really proud of the dedication exhibited by the staff to attain our goals. All of our hard work and dedication has paid off because the final product showed the undying spirit that the Class of '95 has always posessed. We are proud to say that we were the editors of the 1995 HERALD, and we would like to wish the best of luck to the Class of '95 in all their future endeavors.

Thank You.

Marissa Rua Bethany Surgur

We would like to express our thanks to all those who donated their time and efforts to help make the yearbook a success — we could not have done it without you!!

The Underclassmen of our school have followed the Class Of 1995's example in displaying school spirit. Each class demonstrates their enthusiasm in their own way making their class stand out from the rest. The Class of 1998 entered the High School unsure of where to fit in, but by years end they learned what the Raider Spirit is all about. The Class of 1997 has demonstrated an eagerness to carry on the Raider tradition. The Class of 1996 is well prepared to inherit the task of leading Windsor Locks High School. Each class's unique style contributes to the overall atmosphere that other towns recognize and admire - comraderie among the classes, a strong sense of pride, and an undying eagerness to succeed.

Throughout their four years, many students of Windsor Locks High School participate in activities ranging from the Music Department to Students Against Driving Drunk. Although many of these groups are different, they all have one universal quality that links them together-spirit. Their enthusiastic attitude, along with their creativity and determination, is evident in the activities they put on throughout the year. The Art Club decorates our hallways with their drawings, the Music Department gives us the opportunity to appreciate music, the Student Council and SADD provide our dances, and the Renaissance Team challenges and rewards students who push themselves academically. These groups take a lot of their extra time to improve the quality of student life in our school, and they are determined to do the best job they can. So let's take a peek at what the hard-working students of Windsor Locks High School are doing. . .

In Memory of Robert Murray

Robert T. Murray 1937-1994

"Many members of the class of 1995 at WLHS have been unusually blessed by having known Mr. Robert Murray. Bob was a man who bequeathed to many in this high school class a legacy which will influence them all their lives. These young people will undoubtedly pass this legacy to their children for many generations."

MURRAY, Robert T. Murray, 57, of 392 Woodland St., Windsor Locks, died suddenly Tuesday (Oct. 18) at the St. Francis Hospital, Hartford. Born in Cambridge, Mass., he had lived in Hartford for several years, moving to the Windsor Locks community in 1966. He was employed as a let-ter carrier for the U.S. Postal Service for the past 30 years, and was a communicant of St. Mary's Church, Wind-sor Locks. He was also an Army veteran, hav-ing served in Korea. Bob was very active in youth sports in the Windsor Locks community for many years. He had coached in the Windsor Locks Little League and American Legion Baseball since 1974. He also served as the assistant coach of the Windsor Locks High School varsity baseball team, the freshman basketball team, and statistician for the boys varsity soccer team Previously, he had served as the equipment manager of the Windsor Locks Midget Football for several years. In 1990, Bob re-ceived the Sportsman of the Year Award from or the rear Award from the Smalley-Brothers VFW Post, Windsor Locks. Bob leaves be-hind a legacy of his coaching skills, values, and love to all the young people, with whom he came in touch. Besides his wife of 34 years, Madeleine (Blain) Murray, he leaves two daughters and sons-in-law, Susan and Timothy Sullivan of Bristol, and Karen and David Girardini of Ellington: two grandchildren, which were the pride and joy of his life, Shawn and Sarah Sullivan; his mother, Catherine (Molioy) Murray of Ginstonbury; three sisters, Mary O'Brien of Niantic, Denise Murphy of Glastonbury, and Ann Morley of Garden Grove, Calif.: three brothers, David Murray of Waterford, Michael Murray of Waterford, Michael Murray of Los Angeles. Funeral services will be Thursday, 9:15 a.m., from the Windsor Locks Funeral Home, 441 Spring St, followed by a Mass of Christian Burial, 10 a.m., in St. Mary's Cemetery, Windsor Locks His family will receive relatives and friends at the funeral home Wednesday, 6-9 p.m. In lieu of flowers memorial donations may be made to Robert T. Murray Memorial Scholarship Fund, c/o the Windsor Locks High School, 60 South Elm St., Windsor Locks High School, 60 South Elm St., Windsor Locks High School, 60 South Elm St., Windsor Locks 6096.

"Mr. Murray coached me since I started in Little League. He was a very close friend of the entire family. I best remember him for the father figure role he played in my life. He was always there during the good times and the bad. I will miss not seeing him around the house with Maddy and my parents. He taught me many unforgettable lessons." Eric Barthel

"Mr. Murray coached my classmates and myself through our childhood. He wasn't only a coach, he was a friend. Sure he taught us how to hit and pitch, but he also taught us how to conduct ouselves and work hard. He never got paid for doing these things, he did it out of the kindness of his heart. He helped us all in one way or another, and we will never forget him." Jason Cutler

"I miss you my loyal friend. When I was hurting, you were always there to help me. Baseball will never be the same, I will always be looking for you to hit the flyballs, and the grounders. You were our 12th man on the field during all our State Championship games. You were in the hearts of all our players and their families — then, now and FOREVER!"

"Bob, these are the boys you now have to add to your beautiful family. This was their way of saying:

Thank you, Mr. Murray, for your caring, your guidance, your faithfulness, your dedication, and your loving help and understanding. We all miss you, our loyal friend."

Coach Dan Sullivan

"Bob was a coach, a friend, a leader, and a role model. Here was a good man who sought to bring out the talents in young people. By devoting his time and skills he taught them the importance of commitment and hard work in order to perfect their talents.

Mr. Murray's influence on the class of '95 was over many years, more than most with whom they had contact. From their eatliest years in organized athletics through their senior year in high school these young men felt this ever present, encouraging, enduring standard of excellence. They never outgrew their Little League coach — They never will!"

Brian McKeown

"I knew Mr. Murray since I was eight years old. He was not only my coach, he was my friend. He taught me how to win with grace and how to lose with dignity. I loved him very much and I will truly miss him." Sean Claffey

"Mr. Murray was my coach for years. He taught me to play with sportsmanship and to win. He has been there for me when I needed someone. He was more than a coach. He was a friend and acted as a second father." Allan Wilcox

The Faculty at Windsor Locks High School is the nucleus of our intellectual development. The faculty is comprised of many staff members who give countless hours to the student body. They are not only here to educate, but to encourage each student to strive for and fulfill their dreams. Henry Brooks Adams summarized a teachers worth when he said, "A teacher effects eternity; he can never tell where his influence stops."

While the teachers interact with the students daily, the administrators work behind the scenes to ensure a quality education for all the students. The decisions they make are inevitable consequences of the tough economic situation of the town and the country. As the class of '95 leaves WLHS, we will not forget all that the faculty and administration has done for us over the four years.

Flook at you sometimes and what do I see A stubborn, creative child of three With dark sparkling eyes and a turned-up nose. You're both prickly and soft-just like a rose.

Flook at you sometimes and what do I see The intuitive person you've grown to be When there is a problem you just seem to know the right things to say, what to do, where to go.

Beware of advertisements which claim huge savings on diamonds. If a diamond is sold at a "bargain" price it is usually because it is an inferior gem. Our membership in the American Gem Society is your assurance of honest value. It costs no more and often less to buy your diamond from a reputable firm that cares about you.

Congratulations to the Class of 1995!

Throughout our four years together, the Class of 1995 has shared many special times, unforgetable memories, as well as lasting friendships. These memories are the keys to the future — to laughter and to love that will be with us whatever road we choose to take as individuals. So as the cheers die down and the crowd starts to leave, there will be silence once again and a time for tearful good byes. Yet even though we will be leaving, our undying enthusiasm will be a part of the school forever. So it is with mixed feelings that we leave Windsor Locks High School, but one thing will never change — the SPIRIT of the Class of . . . 1995!
